SUMMARY

The reporting investigator was assigned CL#1073026 for investigation on 5 JAN 2015. The complainant who is currently incarcerated mailed a letter to initiate his complaint alleging Detective Andrew BURNS #20197 fraudulently filed a felony complaint against him and that he violated his rights. The reporting investigator sent the complainant a letter and a sworn affidavit to continue the investigation. The affidavit was returned indicating the same information as originally alleged. The reporting investigator served the accused with Charges/Allegations and he was ordered to report on 02 FEB 15 at 0700 hours. The accused was not represented by counsel. The accused was asked if he was involved in the arrest of the complainant. The accused stated he was not and indicated he served only as a clerk for the complaints that were submitted. The department reports related to the case substantiates this information. Detective BURNS is authorized to clerk a complaint as is every sworn member of the Chicago Police Department. BURNS had no involvement in the case and as such has been falsely accused of violating the complainant's rights as well as fraudulently signing a complaint.

Due to the information being contained within the complaint being false and inaccurate as well as the sworn affidavit, the reporting investigator recommends this investigation be closed UNFOUNDED.
